**Smart Sense Laboratory (SENSE), Federal University of Minas Gerais, Computer Science Department, Belo Horizonte, Brazil**

### Disclaimer

The SENSE-SWAX Database IS PROVIDED "AS IS" AND WITHOUT ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. The videos, segments and images provided are provided strictly, for non-profit research purposes, and limited, controlled distributed, intended to fall under the fair-use limitation. We take no guarantees or responsibilities, whatsoever, arising out of any copyright issue. Use at your own risk.

### Release of the Database

The SENSE-SWAX Database is available to researchers under request, which will be evaluated case by case. All requests for the SENSE-SWAX Database must be submitted to the one of the authors of the paper "*The SWAX Benchmark: Attacking Biometric Systems with Wax Figures*". To receive a copy of the database, END-USER named must be a legal institution, or a department or section of a named legal institution, not an individual nor a project the person signing this Agreement has to be duly authorized by the institution for such signatures (e.g., Department or Administrative Head or similar) and shall be liable for such authorization.

### Terms and Conditions

By signing this document, END-USER agrees to receive a copy of the SENSE-SWAX Database under the following restrictions and obligations:

**1. Redistribution:** the SENSE-SWAX Database cannot be, in whole or in part, further distributed, published, copied, disseminated or broadcast, in any form, whether for profit or not. That includes further distribution to a different facility or unit within the END-USER's university, organization, or company. An exemption is provided for a small number of images located in the folder named "Public-Samples", which can be used for illustrations of scholarly posters, presentations and publications.

**2. Commercial Use:** The SENSE-SWAX Database, in whole or in part, may not be used for commercial purposes, directly or indirectly, including its use for product development or other for profit activities, without the express permission of the Smart Sense Laboratory (SENSE).

**3. Citation:** All documents and papers that report on research that uses this database must acknowledge the use of the database by citing the following reference:

*R. H. Vareto, A. Marcia Saldanha and W. R. Schwartz, "The Swax Benchmark: Attacking Biometric Systems with Wax Figures," ICASSP 2020 - 2020 IEEE International Conference on Acoustics, Speech and Signal Processing (ICASSP), Barcelona, Spain, 2020, pp. 986-990, doi: 10.1109/ICASSP40776.2020.9053946.*

**4. Copyright:** Most of the original pictures and videos available in the SENSE-SWAX database are subject to copyright. However, SENSE-SWAX is a small database and many motion and still picture URLs may disappear over time. To support future experiments consistency, we have decided to make them available directly through the download of a single compressed file. Again, only images in the folder named "Public-Samples" can be used for illustrations of scholarly posters, presentations and publications.

**5. Indemnification:** The END-USER agrees to indemnify, defend, and hold harmless the Smart Sense Laboratory, the Computer Science Department, and the Federal University of Minas Gerais, their administration, officers, employees and agents, individually and collectively, from any losses, expenses, damages, demands or claims based upon any injury or damage (real or alleged) resulting from END-USER's use of the SENSE-SWAX Database. The END-USER agrees to take full responsibility and pay all damages, claims, judgments or expenses resulting from END-USER use of the SENSE-SWAX Database
